

SUB-AGENDA

1. Organization matters with the CIA Subcommittee of House Appropriations:
 - a. Mr. Mahon will probably announce designation of Mr. Michaels as the Subcommittee staff representative. This will simplify our routine liaison with this Subcommittee.
 - b. Mr. Mahon may want to discuss additional members for existing vacancies. He has given us no indication as to his choices.
 - c. Mr. Mahon may want to discuss the manner of presenting the Agency budget proposals. Copies of the 1965 Budget Estimate books will be available to the Subcommittee for this purpose.
 - d. The manner of notifying the Agency and the Bureau of the Budget on appropriation approvals should be discussed. We should recommend that the Chairman send a letter identical to the one we proposed in April for Mr. Cannon's signature.
